Subject:- Wage cut for Dated 12th and 13th December, 2017---Request for review.

Respected Sir,

We have received representation from employees that the management at different levels have enforced erroneous wage cut for the aforesaid dates causing enormous hardships to employees. Needless to mention that the struggle had been to protect the BSNL as its existence is itself in danger due to formation of the Tower Company.

We are told that the two days salary cut has been from the Basic pay affecting various items of pay packet. This erroneous action has happened due to ERP as once Basic is cut all allowances are reduced. As a matter of fact deduction should be on Basic Pay and DA.

Therefore, we request you to please order for removal of error as same should be on wage (BP+DA) and not on Basic Pay. We further impress upon you to please consider not to deduct salary as strike has been to protect BSNL.

With deep regards,

Yours sincerely,

(Chandeshwar Singh)
