**Subject:-** Discrepancies in question paper and in final answer key in the LICE for promotion to Junior Engineer (T) Cadre – reg.

Respected Madam,

Kindly recall the discussions which you had with the President of our union on the subject. In course of discussions you assured that the discrepancies when pointed out will be looked into and remedial action taken into the matter. Accordingly this reference to you for consideration.

It is stated that the answers of question NOS 12, 26, 37, 41, 44, 46, 75 etc in the final Answer Key are totally wrong. These have been elaborated in Para 'A' of Annexure-I of the letter. The required proofs are also attached with the annexures I and II. Apart from above some questions viz 7 were incomplete and some questions viz 41, 69, 92 were having more than one option besides being out of syllabus. The questions 4, 13, 37, 83, 93 and 94 are clearly out of syllabus.

Under the circumstances we request you to please get the entire matter reviewed and compensate the candidates who are put to disadvantageous position due to facts mentioned in the letter as well as in Annexures I & II.

With regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
