**Subject:-** Advance work order (AWO) to ITI by BSNL – reg.

Respected Sir,

We have come across to the letter No.-K/SKE and BSE/2018, date-30-08-2018 issued by the Company Secretary of ITI, Bengaluru regarding AWO from BSNL to the said PSU. It is surprising and shocking.

The BSNL has awarded AWO for the maintenance and operation of 6945 BTS sites of GSM's Network besides sales/marketing to ITI in UP East, UP West, Uttarakhand and Tamilnadu Circle for a period of ten years. The value of AWO is Rs. 6633.56 crores.

We may invite your pertinent and kind attention to the fact in the past also many projects were given to ITI by BSNL and they failed to comply and complete the work within the prescribed period causing setback to the growth and expansion of services. Moreover, the entire work will be transferred to vendors as ITI is not in position to do the Job. We are unable to understand the logic and compulsions of the BSNL to award AWO to ITI. We hold firm view that the company will ultimately suffer affecting viability due to which we are perturbed.

Kindly, therefore, consider to review the matter in the interest of BSNL.

With best regards,

Yours sincerely,

  
(Chandeshwar Singh)  
General Secretary
