Subject:- Rounding of 0.5 to the next integer in awarding marks – reg.

Respected Madam,

According to information the marks 0.5 are ignored while arriving at the total of marks obtained by the candidates in the LICEs. This is placing the officials at disadvantageous position. We strongly feel it is neither fair nor just approach. The figure 0.5 should be rounded of to the next integer.

Therefore, kindly get the proposal considered in real perspective.

With regards,

Yours sincerely,

(Chandeshwar Singh)
General Secretary
